

Photography Tours at Fossil Rim Wildlife Center

July 18, Aug 1 & 15, Nov 7 & 21, Dec 5 & 19

Photo Taken during the December Photo Tour (Due to weather conditions, vehicles for tours may vary)

The Photography Tours are 4-hours and will let the photographer catch the dusk light, which is the best light possible for afternoon photos. The tours will go through Fossil Rim's 1700 acre pastures. These will be conducted at different times, depending on the time of year. Some months the tours may be from 2 pm till 6 pm and other months the tours may be from 3 pm till 7 pm. It will depend on when sunset is and this will vary from one month to the next.

There are 59 species of animals here at Fossil Rim. Some of the animals that may be photographed are white rhinoceros, blackbuck, European red deer, gemsbok, zebra, addax, waterbuck, giraffe, sable antelope, axis deer, and addra gazelle, just to name a few.

Cost of Regular Tour: \$65 Please call our Reservation Information Office at: 254-897-2960 to make your reservation. (Camera Club members can receive a 10% discount).
