

SUPPORT FOSSIL RIM WITH A CELL PHONE and HANDHELD GAMES COLLECTION DRIVE!

Fossil Rim now participates in the Eco-Cell recycling program, and you can help! Check out the details of how you will be helping Fossil Rim AND our environment at www.eco-cell.org !

This is a great way to help your family, coworkers and organizations become more aware of the importance of recycling and “going green”!

Simply collect 5 or more cell phones (working or not, no matter how old) with or without chargers and batteries. Also accepted are hand-held games (ie: Nintendo DS, Gameboy, PlayStation Portable).

Email Eco-Cell at program@eco-cell.org or call toll free at 888-326-3357 to request a free shipping label.

No special packaging required, just put them in a box with a note stating the donation is for Fossil Rim, and tape it securely. Apply the label, schedule a pick up from the carrier, and you're done!

Your efforts will result in a cash donation to Fossil Rim as well as helping our environment at the same time, and all at no cost to you!

If you will be visiting Fossil Rim, we have collection boxes located at the Visitors' Center and the Nature Store. Just drop them in!

Please feel free to contact us at 254.897.2960 if you have any questions about how to participate.
