If you cannot bring the phones, you may also mail them to Eco-Cell and indicate Fossil Rim as the recipient of the donation. You will find instructions on how to mail the phones at www.eco-cell.org along with information on how you can make a difference toward conservation and supporting Fossil Rim by just recycling your old cell phones. Also, your donation can be a tax deduction!!

Cell phone drives are a great way for groups to participate in "going green" efforts! Please contact info@fossilrim.org for more information on how to do a cell phone drive!
