

Kroger Card Program has renewed Fossil Rim for 2009-2010
Please renew your Kroger Card with the Fossil Rim barcode

Thank you to everyone who has supported Fossil Rim by having the Fossil Rim barcode scanned to your Kroger Card. Your efforts raised \$1,068.95 donated by Kroger for 2008-2009, based on your Kroger purchases with no cost to you!

Each year, Kroger starts the donation program again, and Fossil Rim must apply and be accepted. In addition, **all of our supporters will need to update their Kroger cards for 2009-2010 beginning July 1, 2009.**

To update your card and support Fossil Rim at NO COST to you, you'll need a copy of the barcode assigned for Fossil Rim Wildlife Center which is found by **clicking the link on our web homepage**, on the Kroger website: www.krogerneighbortoneighbor.com (click on "Find Your Organization" to print it from the website), or pick up a printed copy from the Fossil Rim Visitor Center.

Take the barcode to any Kroger store with your Kroger Plus Card. The cashier will scan the barcode into your Kroger Plus Card, and you will be set to support Fossil Rim Wildlife Center for a 2009-2010 donation made by Kroger based on your purchases, and at no cost to you.

Your Kroger Card must be for this year's program beginning July 1, 2009, or your card will not be valid for participation in this program year. Please do not scan the card prior to 7/1/09 or it will not be validated for the program.

Again, thank you for your support. Should you have any questions, please contact Fossil Rim at 254.897.2960.
